🕒 Donnerstag 12:00 o'clock

Experiencing automotive history with all your senses.

Description

Experiencing automotive history with all your senses.

Detailed description

When the fascinating fast cars of the 1920s conquer the Silvretta-Hochalpenstraße, followed by the luxury bodies of the 1930s. When the engines of the legendary sports cars and endearing everyday cars of the post-war era roar and gurgle, then automotive history becomes something for participants and spectators to experience with all the senses. You rarely get the chance to experience such milestone in automotive history from a dreamlike landscape setting.
